The Castle High School Grading Policy will be followed in this class. The Policy is as follows:

Infinite Campus

Infinite Campus is the school's on-line grade calculating and reporting program. I will update grades by 3 p.m. every Monday.

5-Point Grading Scale

Although Castle High School is currently not a standards-based grading school, we are working toward standards based grading. Therefore, all assignments and assessments will be based on a 5-point grading

scale. Some grades may reflect half credit increments. For example, a student may receive a grade of 2.5 for an assignment. I have the discretion to assign a weight to larger assessments, with the maximum weight being three.

Grade for the Assignment or Assessment	Letter Grade for the Assignment or Assessment
5	A
4	B
3	C
2	D
1	F

Furthermore, extra credit will not be offered.

Quarter, Semester, Year Grades

Quarter grades will be based on this formula:

All graded **assignments** – 15% of total grade

All graded **assessments** – 85% of total grade

Semester grades will be based on the average of the two quarter grades.

Retakes

Students need to conference with me and request a re-take. It is at my discretion to allow a student to re-take an assessment. If a re-take occurs, I will take the higher grade. Re-takes are not provided for unexcused absences and firm deadline assessments.

Firm Deadlines

Firm deadlines for large projects and finals can be established if communicated at the start of the project or quarter and reiterated often.

Late Work

Students need to conference with me to request turning in late work for credit. If accepted, students may have up to but no longer than two weeks after the due date to submit work. **Maximum grade for late work is a 4.**

Unexcused Absence

Work will be given to students and students will have the opportunity to turn in the work for a grade. Students may have up to but no longer than two weeks after the due date to submit work. **Maximum grade for an unexcused absence is a 4. No re-takes allowed** for work turned in from an unexcused absence.

Finals Week

A final exam may be given at the end of each semester. A final exam schedule will be distributed early in the semester. Students should take every opportunity (A-period tutoring, re-takes, etc) to keep up with

academic work throughout the semester to be prepared for each course's final exam. Taking children out of school during finals week may be detrimental to their overall grades.

Scope and Sequence for the 1st Quarter (update will be provided at the start of each subsequent quarter)

- Review All Sentence Patterns from Last Year
