Dear Parent / Guardian,

Your child may have taken part in a Hawaii Statewide summative assessment(s) during SY 2023-2024, and if so, we're sure you're looking forward to learning the results. State assessments administered: Smarter Balanced Assessment in ELA/Literacy and math (juniors only), Biology 1 End of Course (EOC) exam, Algebra 1 EOC exam, and Algebra 2 EOC exam.

If you would like to view your child's individual score report(s), submit a request here: [HSAP Family Portal Access Code Request](#). Once verified, you will be sent (by email) your child's unique **Access Code** that you can use to log in to the Hawaii Assessments Family Portal. *One request per child.*

To view your student's statewide assessment results:

1. Navigate to the Hawaii Family Portal located at <https://hi-familyportal.cambiumast.com>.
2. Enter your child's first name and date of birth and the Access Code that will be sent to you.

You can view your child's overall test scores and interpretive guides that can be downloaded and printed. The site also contains a glossary of assessment terms; a list of frequently asked questions (FAQs) with answers; performance levels and explanations of what they mean; and resources for you to use with your child.

Please note that your Access Code will be usable for the entire school year.

Thank you for your investment in your child's future!

Sincerely,

A handwritten signature in black ink, appearing to read "Bernadette Tyrell".
